

ALIEN INTRUSION PASTOR'S GUIDE

“A high-quality film that draws viewers in until the final mind-blowing conclusion from the mouths of the alien abduction ‘experiencers’ themselves. The clear Gospel presentation at the end turns this movie into a powerful evangelistic tool.” — Richard Fangrad, CEO, Creation Ministries International–Canada

The wide-spread state of biblical illiteracy in America is a well-documented and researched reality. What is less known is how culture has begun to subtly reshape foundational Christian doctrines. Cultural theology has become the guiding force for many people, even for those who call themselves Christians. From the movie, **ALIEN INTRUSION**, we are shown how the popularity of science fiction has had a profound impact on the doctrine of creation. Most people do not realize that by being open to the possibility of intelligent life from outer space, they are actually validating the theory of evolution.

This is but one example of how the deception of cultural theology has led to not just biblical illiteracy, but the erosion of the basic doctrines of the Christian faith particularly the foundational doctrine of creation. The pulpit must take back the mantle of spiritual leadership and teach the basic tenets of Christianity with renewed fervor. In support of this need, an outline for a seven-week series on the foundations of the faith is provided. Use this to aid your preparation of sermons that teach the most important doctrines of Christianity. As your congregation becomes more grounded in the core truths of Scripture, they will no longer allow the culture around them to form their beliefs and will be perceptive to the subtle deceptions that bombard them daily. **ALIEN INTRUSION** is a unique resource that you can use to show how the Bible can even answer the modern phenomenon of UFOs and aliens. That is, even in an ever-changing climate where popular culture shapes beliefs, the Word of God stands strong.

We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ. — 2 Corinthians 10:5
