

Free Bookmarks from AlienIntrusion.com

Simply print this A4 page (120GSM paper will give the best result), then either:

- a) laminate it and then cut out the three bookmarks; or
- b) "cut & paste" the bookmarks onto cardboard.

The colour bookmarks may not be as good on a black and white printer, but the middle bookmark will be fine. Why not print an extra set and give some away?

We're listening,
but nobody is talking

Are we alone
in the universe?

Does the Bible mention extraterrestrials?

Did God create aliens?

Did Ezekiel see a UFO?

Who made God? An inter-dimensional Creator?

Why is the universe so big & is this proof that we cannot be in it alone?

Who were the "sons of God" in Genesis 6 – fallen angels, descendants of Seth, kings, or demons – and their resulting offspring, the Nephilim?
